

## Trial End User License Agreement

---

### Preamble

---

We recommend that you carefully read and understand this Trial End User License Agreement. It defines the permitted uses of the typeface file and those that Slow Fonts prohibits.

---

### Agreement

---

1.
  - This test license agreement is a legal agreement between you (anyone who installs a Slow Fonts test typography file) and Slow Fonts. When you download and install a Slow Fonts test typography file, you automatically agree to the terms of the test license and you must comply with the terms of this license without limitation in time.
  - The trial fonts package include all our catalogue in OTF format, with no OpenType features, no kerning and a limited character set, the user recognizes having knowledge of these specificities.

---

### Authorized uses

---

2.
  - You can use the test fonts files only for testing purposes. You may install and use the test typefaces files on as many computers as necessary to evaluate the test typefaces.
  - You can use the test typefaces files to make digital or print proposals and presentations to your clients. Once your design project is validated or ready for print, a specific license (corresponding to the number of users at an address) must be purchased before you can use the Slow Fonts type file. The use of the test typography files is limited in time.
  - The user must imperatively, for all uses of the test typography file, show the identification mentions of the font: the copyright of the designer of the typography file and the name of Slow Fonts.
  - The Slow Fonts test typography files may not be used for any commercial work or production.

---

### General Restriction on Copying and Transferring

---

3.
  - You agree not to transfer, directly or indirectly, the test typography file to a third party (collaborator, subcontractor, editor, developer, printer...). You agree not to rent, sell, transfer, lease, sublicense, give, loan or further distribute the test typography file.

---

### General Restriction on Modifications

---

4.
  - The test typography file may not be modified or altered. It is forbidden to open the typeface file in a typeface creation software (such as FontLab, GlyphsApp, Robofont...).
  - You may not rename, resave or re-export the typeface file. You cannot add or modify a glyph, add or modify a design, increase the supported languages.

---

### Ownership and intellectual property

---

5.
  - By downloading and installing a test typography file you automatically agree to the terms of this agreement and acknowledge that Slow Fonts retains full ownership of the typographies and their files as well as full intellectual property and copyright.
